The Lunar Tails

We've got the voice solution for you!

December 2023

INTRODUCING LUNAR VOICE

Lunar Voice was born out of a deep-seated need to help small and medium-sized businesses break free from the limitations of traditional phone systems.

We observed that many businesses were struggling with expensive, long-term contracts and systems that were inflexible, leaving them stuck in an antiquated telecommunications maze.

Lunar Voice is your trusted local provider of smart Voice over IP (VoIP) solutions in Saskatchewan, Canada. As an innovative branch of Rivercity Technology Services Ltd., we are deeply committed to reshaping the telecommunication landscape of our vibrant community.

Our goal is simple yet ambitious: to offer a powerful, nimble, and cost-effective phone solution that could cater to businesses of all sizes. To achieve this, we envisioned a service that was not only robust enough to handle the demands of the largest SMB but also adaptable to suit any scenario. And thus, Lunar Voice was brought to life to revolutionize the way businesses communicate in our community.
