Lunar Voice Loves Animals

At Lunar Voice, we believe in the power of connection and communication, not just among people but also with our furry friends. That's why we are thrilled to announce our partnership with **Saskatoon Dog Rescue**. This incredible organization is dedicated to providing loving homes for all dogs in need. Together, we aim to shine a spotlight on the precious souls who are patiently waiting for their forever homes.

By featuring these amazing animals in our newsletter, we aim to raise awareness about their stories and increase the chances of finding them loving families. In addition to featuring pups in our monthly newsletter, we will also be **donating 5% of our monthly revenue** to Saskatoon Dog Rescue. Lunar Voice is committed to making a positive impact, and we invite you to join us in supporting these organizations and spreading the word about the importance of pet adoption. Together, we can make a difference in the lives of these deserving animals.

THIS MONTHS FURRY FEATURES:

Ivy

Ivy is an approximately 11-week-old pitbull mix. She loves to have your attention and enjoys cuddles. She can be pretty playful, wrestling with her siblings, but she also does great on her own as well as playing with her toys. She also enjoys being in the company of the three adult resident dogs. She does well with children and has yet to meet any cats, although no issues are expected. She is mostly pee pad training and is starting to work on house manners and kennel skills. Ivy is hoping to find a very loving forever family.

Groot

Groot is a 1-year-old retriever mix and is a super happy, playful and friendly boy! He is easygoing but full of energy. Overall, he is a big baby who loves belly rubs and spending time outside. Groot listens well and learns quite quickly. He also enjoys going for truck rides with his foster family. This smart boy is completely house-trained. He can be left in the house to free roam as long as he's got a toy or chew. He is still getting used to the leash and will need a little more training on that. He gets along with other dogs, cats and children. Groot wants to love and be loved by his forever family; could that be you?!

Mac

Mac is a 5-month Husky Shepherd mix and is very energetic and eager to please! He spends his days playing with the resident dogs and kids (he really likes tug of war), exploring outside and snuggling with his foster. His absolute favourite thing to do, though, is eating! He is very food-motivated, which has made training much easier. He is doing very well with his house manners, rarely having accidents. He is fully kennel-trained and sleeps through the night. Mac is a happy, lovable dog who would be a great family dog!

Julia

Julia is a sweet, fun-loving girl who will take any opportunity to play! She is an 8-month-old Huskey mix who loves to be around people but also does well playing on her own. She loves to be outside, exploring and playing with her foster family. When she is done playing she loves to come in and cozy up for a snuggle and belly scratches. Julia is trained in Kennel but is still working very hard on house training. Julia is a wonderful pup and will make the perfect addition to an equally fun family!
