We would LOVE to hear from you!

## Lunar Voice Loves Animals

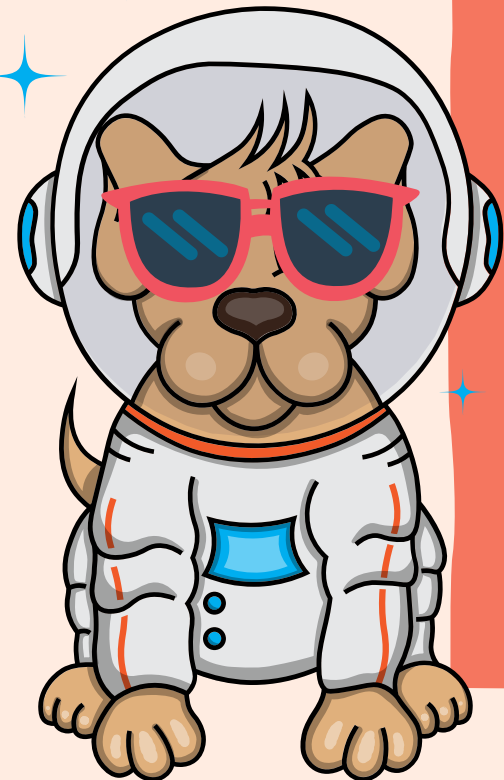

At Lunar Voice, we believe in the power of connection and communication, not just among people but also with our furry friends. That's why we are thrilled to announce our partnership with **Saskatoon Dog Rescue**. This incredible organization is dedicated to providing loving homes for all dogs in need. Together, we aim to shine a spotlight on the precious souls who are patiently waiting for their forever homes.

By featuring these amazing animals in our newsletter, we aim to raise awareness about their stories and increase the chances of finding them loving families. In addition to featuring pups in our monthly newsletter, we will also be **donating 5% of our monthly revenue** to Saskatoon Dog Rescue. Lunar Voice is committed to making a positive impact, and we invite you to join us in supporting these organizations and spreading the word about the importance of pet adoption. Together, we can make a difference in the lives of these deserving animals.

Answers are  
on the back!

1. What is the slowest animal in the world?
2. What is a group of hedgehogs called?
3. How many eyes does a honeybee have?
4. What is a female donkey called?

7. What is the largest animal on earth?
8. What is a group of flamingos called?
9. Which mammal has no vocal cords?
10. What is the only bird that can fly backwards?

## THIS MONTH'S FURRY FEATURES:

Onyx

Say hi to Onyx! He is a sweet and energetic 5-month old Lab/Pitbull mix who loves to cuddle as much as he loves to play! He is definitely a social pup and prefers having other dogs and people around to keep him company. Onyx loves to play and hang out with the foster's resident dog; having a companion at his forever home would be his dream come true!

He also really likes being outside, exploring and playing. Onyx is working on basic obedience; he knows to sit for treats and is getting better every day with his recall. He is just starting to get acquainted with his leash, so he can start practicing his walking skills, which will be perfect in no time for this smart guy! He is also still working on mastering his house manners, and it's getting better every day! If you are looking for a pup that will be your best friend through fun activities and snuggles, Onyx is your guy!

Bubbles

Bubbles is a 15-week-old Shepherd mix who is bubbly and bouncy and generally brings joy to everyone she meets! She is a high-energy dog, but with adequate exercise and direction, she will settle and sleep equally hard! She loves to be challenged and really enjoys treats/food, puzzles, and toys. Another favourite of hers is going for car rides. Bubbles is currently in a foster home with three resident dogs and a senior cat. She loves playing with them, most especially the cat!

She is fully house- and kennel-trained. She loves meeting all people, including and especially kids. She gets along well with other dogs, given proper introductions. Bubbles is a very clever dog and picks up training quickly. She currently knows most basic obedience, including sit, come, and leave it. Loose leash walking is coming along. Bubbles is a loving and happy pup that would make a great addition to an active and fun household!

Comet

Comet is a 9-week-old Shepherd mix who is a very sweet boy! He is the perfect mix of calm and energetic. He likes his quiet time when he needs it and will come to his foster for cuddles. He also really enjoys all types of play, including fetch, puzzle maps and using agility equipment. His heart is really into agility drills, and he would do well with a family that can continue exposing him to the sport.

He is already kennel trained and is currently working hard on perfecting his house manners. Comet is extremely food-motivated, which has helped a ton with training. He knows simple commands such as sit, come, and off. He has done well with all animals he's met so far, including other dogs, cats, chickens and horses. He also does great with children. Comet is the perfect companion, and can't wait to meet his forever family!

Mitts

Meet Mitts, a loveable 7-month-old Labrador mix who is full of personality and little quirks that will forever keep you amused and entertained! She loves to wrestle with her foster brothers, play fetch, run laps, chew on a good bone, and bird watch from the window. She is a very smart girl! She is house and crate-trained and catches on quickly to basic commands. She loves being with other dogs and is most confident with her furry friends. She is a little more shy when it comes to people, but it won't take long before you'll have a shadow following you everywhere you go! Mitts insists on adding her own creative flair to everything she does! She makes her foster mom laugh on a daily basis, and whoever adopts her will surely have a lot more laughter in their house with Mitts around!
