Lunar Voice Loves Animals

At Lunar Voice, we believe in the power of connection and communication, not just among people but also with our furry friends. That's why we are thrilled to announce our partnership with **Saskatoon Dog Rescue**. This incredible organization is dedicated to providing loving homes for all dogs in need. Together, we aim to shine a spotlight on the precious souls who are patiently waiting for their forever homes.

By featuring these amazing animals in our newsletter, we aim to raise awareness about their stories and increase the chances of finding them loving families. In addition to featuring pups in our monthly newsletter, we will also be **donating 5% of our monthly revenue** to Saskatoon Dog Rescue. Lunar Voice is committed to making a positive impact, and we invite you to join us in supporting these organizations and spreading the word about the importance of pet adoption. Together, we can make a difference in the lives of these deserving animals.

THIS MONTH'S FURRY FEATURES:

Sarg

Meet Sarg, a charming and delightful 1-year-old Pug French Bulldog mix who loves outdoor adventures, lounging on the patio, and leash walks. He thrives in the company of other dogs, making friends effortlessly and enjoying playtime. Sarg showers his trusted humans with kisses and excitement and, though initially shy with new faces, becomes a loyal companion when he feels safe. He loves garden veggies, strawberries, belly rubs, and hanging out with neighbourhood dogs. Sarg thrives in a calm environment and would flourish in a home with other pets. Fully house-trained and good in a kennel, he prefers quieter homes without young children.

MEDICAL INFORMATION

Sarg has allergies that are carefully managed with specific veterinarian-approved food and treats. He also requires regular injections for his allergies and may require special care, such as daily medication, salt water baths, and topical treatments long term.

Indy

Meet Indy! Indy is a Shepherd Rottweiler mix and is approximately 12 weeks old. She is a very smart girl, so much so that she learned to sit on her first day! She can be a little shy at first but warms up very quickly. She can be very affectionate, loving to snuggle and getting pets. She has lots of energy as a typical puppy. Indy enjoys playing with toys, hanging out with people and wrestling with the resident dogs. She catches on to things very fast - she is already kennel trained and working very hard on her house manners. She also does well with the resident cat. Indy is a sweetheart and would love to find a home with a very loving family!

Pookie

Pookie is a sweet, easygoing 8-week-old Shepherd mix ready for his forever home! This independent little guy loves lounging in cool spots, like by the air conditioner or in a shady yard corner. He's like a soft, cuddly teddy bear with a playful side. Pookie enjoys wrestling and tug-of-war with younger dogs but respects older dogs' space. He's learning to cuddle on the bed with other dogs and is making progress in his kennel training. Pookie is picking up house manners quickly and, with consistency, will be a well-mannered companion. Easy to have around and undeniably adorable, Pookie could be the perfect addition to your family!

Onyx

Meet Onyx! This 6-month-old Labrador Pitbull mix is a loving, energetic puppy who adores both playtime and cuddles. He's a gentle soul who just wants to please. Onyx enjoys playing with his foster's resident dog and would love a companion in his forever home. He also loves being outdoors, exploring, and going on long walks by the river. Onyx is learning basic obedience, knows commands like sit and shake a paw, and picks up training quickly. He has great house manners, gets along well with children and other dogs, and hasn't met any cats yet. If you're looking for a playful and snuggly best friend, Onyx is your guy!

Summer Treat for your Pup

Kongs can provide hours of entertainment for dogs, especially when filled with a frozen treat. Here's a simple and delicious recipe your pup will love:

- 1 banana
- 1 cup plain or Greek yogurt
- 1 teaspoon honey

Blend or mix the ingredients thoroughly, then spoon the mixture into a Kong. Freeze it for a delightful treat that will keep your dog happily occupied.
